

## Guidelines and General Information

- Social Media
  - Follow the Milledgeville Amateur Radio Club (WB4DOJ) on Facebook, Twitter, and Instagram for updates throughout the day.
  - Use #ARRLFD for your posts of the event.
  - Please email photos to [vp@wb4doj.org](mailto:vp@wb4doj.org) for inclusion in this year's photo album.
- Operating
  - Follow all FCC regulations and proper amateur radio curtesy.
  - Properly log all contacts.
  - Remember only one radio may operate on each band/mode at a time.
- Dinner
  - Members should bring a side dish for the group. The club will provide barbeque, Brunswick stew, and bread.
  - Water, sweet tea, and paper goods are being donated by various members.
- Restrictions
  - Georgia College is a tobacco free campus. This includes cigarettes, cigars, pipes, all smokeless tobacco, and simulated tobacco products such as electronic cigarettes.
  - In order to ensure a family friendly event, present amateur radio in the best positive light, and abide by Georgia College policy, alcohol use is not permitted at Field Day or any other MARC public event.
  - Follow the instructions of the Safety Officer, club officers, and Field Day committee members when necessary.

### **IN CASE OF EMERGENCY**

1. Notify Safety Officer or other club official.
2. Call 478-445-4400 or 911 to contact GC Public Safety.
3. Render assistance until first responders arrive.
